

REMARKS / DISCUSSION OF ISSUES

Claims 18 and 19 are pending in the application.

Claims 1-17 were elected for prosecution in the parent application, and accordingly are canceled for this divisional application.

The title is amended to reflect the cancellation of the method claims.

Claims 18 and 19 are amended for non-statutory reasons: e.g., for punctuation and/or to replace European-style claim phraseology with American-style claim language. The claims are not narrowed in scope and no new matter is added.

This is a preliminary amendment for the application being filed herewith. Examination of the application is now respectfully requested. If any points remain in issue that may best be resolved through a personal or telephonic interview, the Examiner is respectfully requested to contact the undersigned at the telephone number listed below.

Respectfully submitted,

Eric M. Bram
